

Trusted for Generations

Trusted for Generations

Unparalleled **expertise** gained since **1828**

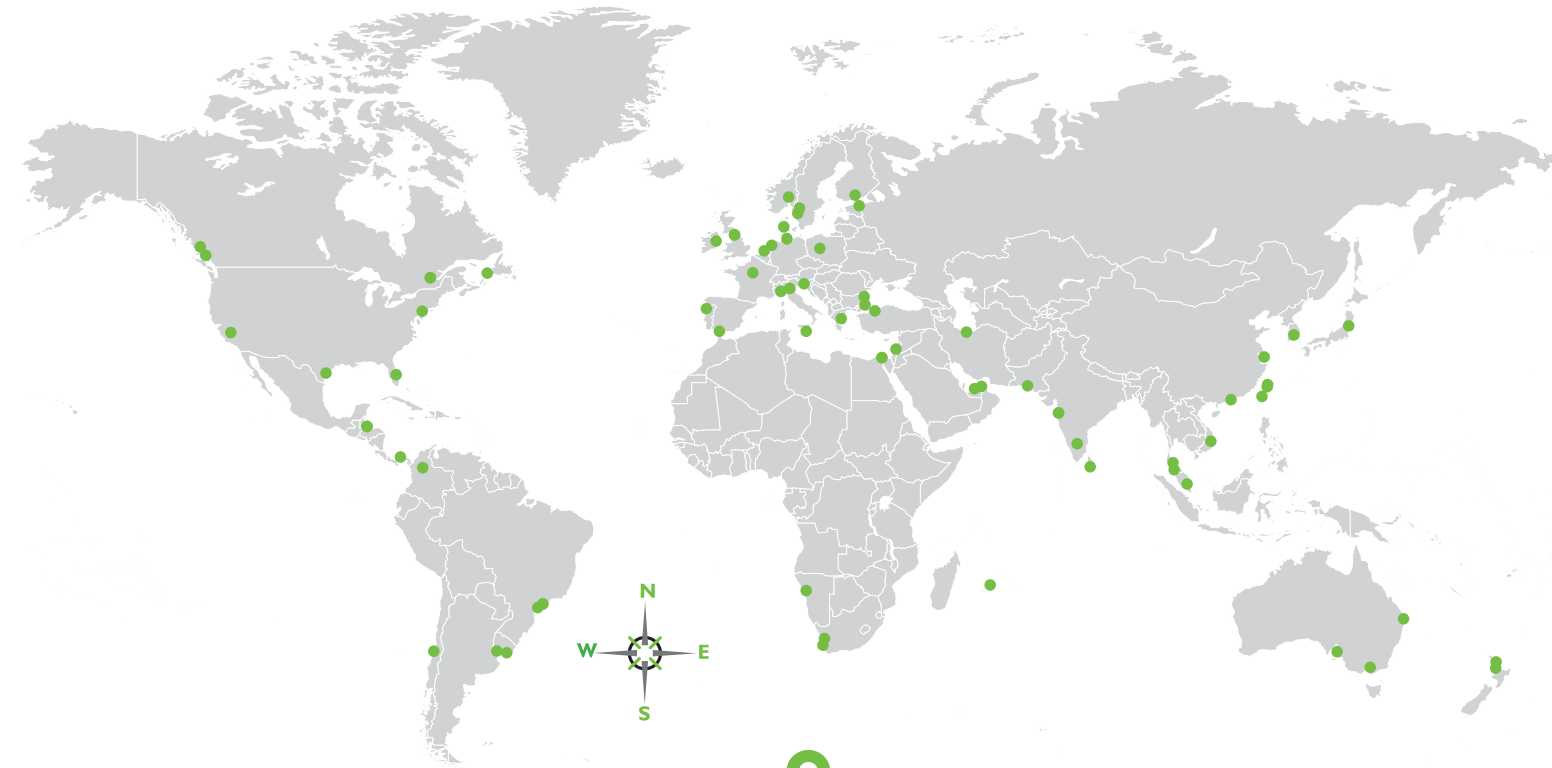

Speciality, high performance lubricants delivered **globally**

Worldwide reputation for **reliability** and **innovation**

Launched the **world's first** range of biodegradable marine sterntube lubricants

**Award-winning** range of Environmentally Acceptable Lubricants (EALs)

An **award-winning** range of EALs (Environmentally Acceptable Lubricants)

Regional stock points in over 40 locations

Ability and infrastructure to **respond** quickly to urgent requirements

# Trusted for Generations

## Service & Support

30% of our workforce are employed in the technical team, focusing on Quality Control, R&D, OEM liaison and Technical Service allowing us to provide one-on-one dedicated customer support by our team of highly qualified experts.

Field Support

Lubrication Surveys and Recommendations

Equipment Reports and Analysis

Lubricant Analysis

Training

Benjamin Randall Vickers

Benjamin Threlfall Vickers

Farrar Vickers

John Vickers

Peter Vickers

William Vickers

We remain a private, independent company led by the 5th and 6th generations of the Vickers family

VICKERS OILS (AUSTRALASIA) PTY LTD.

## Food Grade

Innovative high performance lubricants for food grade applications

[www.eminnovations.com.au](http://www.eminnovations.com.au)

## Bearing Lubrication

EQUIPMENT	APPLICATION	RECOMMENDED PRODUCT	KEY BENEFIT
General equipment	Ambient temperature - Dry	<b>VICKERLUBE FG EP GREASE 2</b>	High wear resistance
General equipment	High temperature bearings	<b>VICKERLUBE FGS EP GREASE 2</b>	Extreme temperature resistance
Direct food contact	Bearings	<b>VICKERLUBE FG 3HDC GREASE 2</b>	3H registered for direct contact
General equipment	Wet applications	<b>VICKERLUBE FG HLW GREASE 2</b>	Waterproof
General equipment	High load applications	<b>VICKERLUBE FG HLW GREASE 2</b>	High load carrying properties
General equipment	Freezer and low temperature bearings	<b>VICKERLUBE FGS LT GREASE 1</b>	Low temperature resistance
General equipment	High speed bearings	<b>VICKERLUBE FGS LT GREASE 1</b>	Excellent high speed properties
General equipment	Bearings	<b>VICKERLUBE FGS GREASE SPRAY</b>	Excellent anti wear, high temperature resistance
General equipment	Plain bearings	<b>VICKERLUBE FG HLW GREASE 2</b>	High load resistance

## Chain Lubrication

EQUIPMENT	APPLICATION	RECOMMENDED PRODUCT	KEY BENEFIT
Overhead chains	Roller chains	<b>VICKERLUBE FG CHAIN OIL 100</b>	Adhesive non drip
Chiller and freezer	Drive chains	<b>VICKERLUBE FGS FLUID 46</b>	High load and wear resistance
Ovens and cookers	High temperature chains	<b>VICKERLUBE FGS HT CHAIN OIL 220</b>	High temperature resistance
General equipment	Drive and roller chains	<b>VICKERLUBE FG CHAIN OIL 100</b>	Humidity and wear resistance
General equipment	Chains and drives	<b>VICKERLUBE FGS CHAIN SPRAY</b>	High temperature and load resistance

## Gear Lubrication

EQUIPMENT	APPLICATION	RECOMMENDED PRODUCT	KEY BENEFIT
In-line gear box	Gear boxes - Ambient temperatures	<b>VICKERLUBE FG GEAR OIL RANGE</b>	High load resistance
Worm and wheel gear box	Gear boxes - Ambient temperatures	<b>VICKERLUBE FG GEAR OIL 460</b>	High load resistance
Oven and cooker gear box	Gear boxes - High temperatures	<b>VICKERLUBE FGS GEAR OIL RANGE</b>	High temperature resistance
Chiller equipment	Gear boxes - Low temperature	<b>VICKERLUBE FGS GEAR OIL RANGE</b>	Low temperature fluidity
Freezer equipment	Gear boxes - Extreme low temperature	<b>VICKERLUBE FGS FLUID RANGE</b>	Extreme low temperature fluidity
Open gears	Gear teeth and rack and pinion	<b>VICKERLUBE FG MULTI-TAK</b>	Excellent adhesion, high load resistance

## Hydraulic and compressor lubrication

EQUIPMENT	APPLICATION	RECOMMENDED PRODUCT	KEY BENEFIT
Hydraulic systems	Reservoirs	<b>VICKERLUBE FG FLUID RANGE</b>	High wear resistance
Hydraulic systems	Reservoirs - Extreme temperature	<b>VICKERLUBE FGS FLUID RANGE</b>	Extreme long life
Airline lubricators	Reservoirs	<b>VICKERLUBE FG FLUID 22</b>	Prevents stick slip and corrosion
Vacuum compressors	Reservoirs	<b>VICKERLUBE FG FLUID 46</b>	High wear resistance, low carry over
Compressors	Reservoirs	<b>VICKERLUBE FGS FLUID RANGE</b>	Extreme long life

## Speciality and general maintenance lubrication

EQUIPMENT	APPLICATION	RECOMMENDED PRODUCT	KEY BENEFIT
Direct food contact equipment	Dividers, release agent, light lubrication	<b>VICKERLUBE FG 3H DIVIDER OIL</b>	3H direct contact registered
Direct food contact equipment	Corrosion protection	<b>VICKERLUBE FG 3H DIVIDER OIL</b>	Corrosion resistance
General equipment	Slides and guides	<b>VICKERLUBE FG MULTI-TAK</b>	Excellent adhesion, high load resistance
Conveyor guides / wear strips	Slides, guides, cams and followers	<b>VICKERLUBE FG MULTI-TAK</b>	Excellent adhesion and chemical resistance
General equipment	Threads / anti-seize and assembly aid	<b>VICKERLUBE FG MULTI-TAK</b>	High load and chemical resistance
General equipment	Slides, guides, schutes, rods and pivots, wear strips	<b>VICKERLUBE FG DRY PTFE SPRAY</b>	Non stick dry film lubricant
General equipment	Slides, guides, schutes, rods and pivots	<b>VICKERLUBE FGS SIL SPRAY</b>	Wet film, high temperature resistance
General equipment	Threads, water displacing	<b>VICKERLUBE FG WD SPRAY</b>	Water displacing, high wear resistance
General equipment	Cams and follower, pins	<b>VICKERLUBE FGS GREASE SPRAY</b>	Excellent anti wear, high temperature resistance
All equipment	Cleaning and degreasing	<b>VICKERLUBE CLEANER SPRAY</b>	Non residue, fast acting cleaner for workshop use
